

# RIDE ON FLOOR SCRAPER T2100 EI

**Innovatech™**

## Zero emission, ride-on floor scraper tool that preforms better than any other battery option on the market.

The small compact design is highly maneuverable with a zero emissions battery operated drive system. The battery operated system does not compromise on power with a performance at least equal or better to other machines of a similar class.

And with zero emissions, low noise, and no cables, this machine is capable of working in occupied areas with minimal disturbance.

### Example performance rates

(dependent upon job conditions)

- Carpet: 1200 to 2200 up to 3500 sq. ft
- VCT/VAT: 1200 to 2000 up to 3500 sq. ft
- Sheet Vinyl: 1200 to 2000 up to 3500 sq. ft
- Glue Down Hardwood: 900 to 1600 up to 2000 sq. ft
- Elastomeric Coatings: 500 to 12000 up to 2400 sq. ft
- Ceramic Tile: 500 to 1000 up to 1900 sq. ft

### Features

- Extremely high removal rates (dependant upon job conditions)
- Up to 80-90% of coverings removed on first pass
- Fits through any standard doorway or elevator
- No cumbersome cord attachment
- Zero emissions
- Runs cooler and quieter
- Limited maintenance
- Zero memory batteries
- Batteries only draw power when machine is moving
- Fork lift channels for quick and easy battery change in continuous runtime situations
- Supplied with operating manual, 3 front weights, 1 rear weight, battery charger, 660mm (26") blade holder, standard 10 blade package
- Available accessories include ceramic tile tooth holder, swivel head travel dolly

Specifications	
Type	Terminator
Part Number	T2100 EI
Battery	48VDC 415AH
Working Width	Up to 26" (66cm)
Machine Dimensions	
Length	65" (165cm)
Width	27" (69cm)
Height	52" (132cm)
Weight	2734lbs (1240kg)
